### FOCUS

Christine McDonald

*There were many reasons as to why I chose to go to UNC, and one of those was having access to a Catholic community. I knew community was something I craved going into my Freshman year. With all the challenges Freshman year brings, I knew I needed to join a bible study.*

*As my faith has grown throughout the past three years, the Campus Chapel has been and will continue to be a haven. Having a designated prayerful space 24/7, and daily Mass, Adoration, and Confession three times a week enables my faith to grow because I have been given resources and access to Jesus.*

*At the end of the day, what matters most is my relationship with Christ, and how I am called to and able to share that relationship with others. Bear Catholic has given me the opportunity to do just that - personally pursue Christ - and help others do the same. Bear Catholic made possible for me to choose to open my heart to Christ, and wow! has He transformed my heart. I feel blessed to have had that door opened for me on such a secular campus, and I only pray that that same door is opened for others.*
