

Faith Formation Volunteer Opportunities at St. Peter

When you hear that the parish needs Catechists, you might think,

***"I'm not qualified for that," or "I don't know enough."
In reality, teaching is one of the best ways to learn.***

Our Faith Formation program provides you with the materials, tools, and training you need. It's normal to have doubts at first, but remember:

God doesn't call the qualified; He qualifies the called.

Volunteers lead with a strong foundation in prayer and by regularly partaking in the Sacraments. We all have unique gifts from God, and how we share them with others is a key part of who we are.

For parents, the greatest benefit is that your children learn by your example. Actions always speak louder than words. By offering your time and effort to the Faith Formation program, whether in your own child's class or another class at the same time, you teach your child that their religious education is important. You aren't just saying it matters; you're showing its significance through your own actions.

Let us become the people God has called us to be:

accompanying one another in Christ

We need more laborers in the vineyard! Prayerfully consider how God might be calling you to this vital and life-giving work of guiding children, teens and adults on their faith journey.

You don't need to be a theology expert to support us! Children need to see faithful witnesses who are excited to share the joy of a relationship with Christ. We appreciate you prayerfully discerning this service.

We have many volunteer opportunities and needs in our Faith Formation programs for those looking to get involved at all levels of support.

- Lead catechists for grades 6-12
- Lead catechists for adults seeking confirmation and communion
- Adult Catechist Assistants
- Teen Classroom Aides
- Substitute Catechists
- Faith Formation Retreat Volunteers
- Order of Christian Initiation Retreat Volunteers
- Adults and teens to accompany those in the process of becoming Catholic
